Manoj Kumar Saini

Data Scientist | Business Intelligence and Process Management at
HWR Berlin | Data Enthusiast | Process Improvement
Berlin, Berlin, Germany

Summary

Aspiring Data Scientist with a solid foundation in data analysis and a strong interest in business-driven insights. Skilled in Excel, Python, SQL, Power BI, and Tableau.

I am currently pursuing a master's in Business Intelligence and Process Management, where I focus on analyzing large datasets to derive actionable insights and developing machine learning models that support data-driven decision-making. My work has contributed to impactful business improvements and increased operational efficiency through clear, insightful data visualizations and predictive models.

I'm eager to further develop my data science expertise, especially in statistical analysis, machine learning, and problem-solving. My goal is to bridge data science with business strategy, driving organizational growth and innovation through data.
